# Meet USTA's new Executive Director

Meet USTA's new Executive Director:

**Alison La Ferlita**

For more than 20 years, Alison La Ferlita has been helping non-profit and membership-based associations grow and thrive.

"I just love the business of it," she said. "That's something I really enjoy."

The New York native discovered her passion by accident,

shortly after her graduation from Long Island University, where she earned a Bachelor of Fine Arts degree in Public Relations. Though she was seeking a job as a television production assistant, La Ferlita landed a position as the executive director for the east coast chapter of the Association of Independent Commercial Producers, and a career was born.

"It turned out I really enjoyed managing a professional association," La Ferlita explained. "So that's how I got into it."

Along the way, she founded her own association management company, Plum & Copper, and used her expertise to benefit many different kinds of organizations. She managed an equestrian association, even though she's terrified of horses, and a military association, despite the fact that she's never served in the Armed Forces. She was intrigued by the prospect of working for USTA.

"I thought it was really interesting, very unique and very different, something I had never heard of," La Ferlita said. "Just the work itself, what the organization was looking to achieve and the type of person they were looking for to help them achieve those goals, it really spoke to me."

Though she is not a baton twirler, La Ferlita is an athlete, having played soccer from the age of eight through college. She is looking forward to helping USTA reach the next level.

"I think it's a great time for the organization to grow and prosper. My business mind is already churning. I want to increase awareness about the sport and help build a larger membership and greater appreciation for the sport."

La Ferlita believes USTA will benefit from her strengths in management, marketing and communications. But she is respectful of USTA's history and traditions and looks forward to working with USTA members.

"I want the members to know that my door is open, my email is open, my phone is on. If there is ever an idea or a challenge or something you want to discuss, contact me," she said. "This is your organization. My position is to make sure it's run well. But it's the members who have ownership."

Outside of work, La Ferlita and Joe, her husband of 21 years, are enjoying raising their two boys, 9-year-old Shane and 7-year-old Reilly. La Ferlita has many interests, including hiking, biking, fitness, photography, writing and reading. A world traveler, La Ferlita also holds dual citizenship in the U.S. and Ireland, her parents' homeland.

USTA members can reach La Ferlita at [alison@ustwirling.com](mailto:alison@ustwirling.com) or 212-679-0833.

# Meet USTA's Board of Directors

## Karen Cammer, President

**REPRESENTS:** At-Large

**HOW LONG ON BOARD:** This is my fifth year since returning to the board. I served previously in the 90's as board secretary before becoming USTA's Executive Director.

**OTHER POSITIONS YOU'VE HELD**

**IN USTA:** Executive Director, National Contest Director, U.S. Trials Director, World Championships Contest Director.

**BRIEF TWIRLING BACKGROUND:**

Started twirling in 1958 at age three. Trained under Gloria Smith, Nikki Spatafora, Fred Miller, Chet Jones and Phil D'Angelo. Competed as a soloist, team member and corps member.

**PROFESSION:** Director of Administration and Development for Lightning Basketball, a youth basketball club of approximately 3,000 members, and Island Garden Basketball, a three-court facility. Executive Vice President of JMF Sports Management Consultants, Inc., a consulting company to facilities, organizations and businesses.

**WHY DO YOU SERVE ON THE**

**BOARD:** I absolutely believe that the lifeline of our association is its governing board and remembering that the board serves this non-profit association for the betterment of its members and bigger vision: the sport of baton twirling in the USA. Our founders believed in serving all

members to offer opportunities equally, to all.

**WHAT IS ONE THING MOST PEOPLE DON'T KNOW ABOUT YOU:**

I am finishing my 40th year as the Northeast Region's President. I served as president of the New York Council at age 21 (or possibly 22) which was the youngest president in the country. This was pointed out to me by Jack Crum who until me, had been the youngest at age 22 (or possibly 23.)

## John Chamberlain, Vice President

**REPRESENTS SECTOR 4:** Southeast Region (Alabama, Florida, Georgia, Mississippi, North Carolina, South Carolina, Tennessee)

**HOW LONG ON BOARD:** Too long! I believe 28 years (or could be 32!)

**OTHER POSITIONS YOU'VE**

**HELD IN USTA:** Past president, current vice president, Coaches chairperson, Technical Advisor, Southeast Regional president, World Team coordinator, US Tour director.

**BRIEF TWIRLING BACKGROUND:**

Began twirling at age nine through a YMCA recreational program. Competed in first USTA Nationals in 1968. Was a member of the very first World Team in 1980 in Seattle, Washington and was the silver medalist in the Men's Division. Past USTA Boys' Solo Champion, Men's, Senior Pairs National Champion. USTA certified

coach and judge for 42 years.

**PROFESSION:** Guest Experience Manager for Walt Disney World, Orlando Florida.

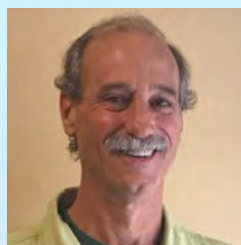

**WHY DO YOU SERVE ON THE**

**BOARD:** I sincerely believe in giving back to USTA, the organization that provided so many wonderful opportunities for me throughout my life.

**WHAT IS ONE THING MOST PEOPLE DON'T KNOW ABOUT**

**YOU:** This is a tough one. I've been around so long most people know everything. I am the father of two great sons: Jeff, who is 26, and Corbin, who is 20. I love to play golf, though don't get to do as much as I would like.

## Tom Breuckman, Secretary

**REPRESENTS SECTOR 1:** Western Region (Alaska, Arizona, California, Hawaii, Idaho, Montana, Nevada, Oregon, Utah, Washington)

**HOW LONG ON BOARD:** I am in my tenth year serving on the board.

**OTHER POSITIONS YOU'VE**

**HELD IN USTA:** I've been the

announcer at local, Oregon State, Western Regional and National Championships since approximately 1988. I have been fortunate to announce at a few world competitions as well.

**BRIEF TWIRLING BACKGROUND:**

My twirling background is one of deep appreciation and joy in watching twirlers of all ages as they face challenges and achieve competence and confidence as they face their challenges. :) I admire the athletic and artistic prowess of many athletes, as well as the other ways twirling seems to help a young person meet challenges and new situations in their lives. My general observation of twirlers is that they meet these difficult situations as a rule, with grace and skill. I grew up playing team sports, but I see similar values of sportsmanship and commitment to a team in twirling as well - that's what drew me to the sport.

**PROFESSION:** I have been a teacher, counselor and school and district administrator in my career. The highlight of my career was serving as principal of an arts-focused middle school for eight years.

**WHY DO YOU SERVE ON THE**

**BOARD:** I serve on the board because of a strong belief in the power and potential of children, and that, to truly effect change in our world, we must start with our children. I believe in positive, character- and skill-

## Meet USTA's Board of Directors, continued:

building youth activities that build an individual's connection to others in the world. I believe children can enter the world with competencies, confidence and good judgment and that they have a much better chance of succeeding by participating in a youth activity that promotes those values and builds connections with other people. Baton twirling and its opportunities for individual as well as group involvement, help youth develop those values, skills and attitudes.

**WHAT IS ONE THING MOST PEOPLE DON'T KNOW ABOUT YOU:** Hmmmmmm - Most people don't know of my love for Mackinac Island, Michigan and that, while in college, I spent a summer working on the ferry boats there — certainly the nicest job I've ever had.

### Jason Lee Mideast

**HOW LONG ON BOARD:** Two years.

**OTHER POSITIONS YOU'VE HELD IN USTA:** Athlete and judge!

**BRIEF TWIRLING BACKGROUND:** Had the great pleasure of competing at numerous Nationals and World Championships.

Former national Men's Solo, 2-Baton and Dance Twirl Grand Champion. Multiple time medalist at the World Championships in the Mens and Pairs divisions.

**PROFESSION:** Lawyer.

**WHY DO YOU SERVE ON THE**

**BOARD:** To give back and to make a difference, to the best of my ability.

**WHAT IS ONE THING MOST PEOPLE DON'T KNOW ABOUT**

**YOU:** When I get stressed out, or when I have long flights, I read and re-read and re-read the Harry Potter series.

### Jackie Stewart At Large

**HOW LONG ON BOARD:** 32 years. On 28 years, then took a break for four, back on for another four.

**OTHER POSITIONS YOU'VE**

**HELD IN USTA:** Indiana Council President, Pageant Commission (back in the day), Judges Commission, Education Department Director.

**BRIEF TWIRLING BACKGROUND:**

Started twirling when I was eight, competed thru age 17, won my solo age group at 14 (back when there were 50-60

in an age group.) Received my judges license at 18.

**PROFESSION:** Baton coach.

**WHY DO YOU SERVE ON THE**

**BOARD:** To give back to the sport I love and to make a difference.

**WHAT IS ONE THING MOST PEOPLE DON'T KNOW ABOUT YOU:** I faint at the sight of blood .

### Sheri Carter Sector 2

**HOW LONG ON BOARD:** I served six years prior, as a board member for two years and as board secretary for four years.

**OTHER POSITIONS YOU'VE HELD**

**IN USTA:** I have served on the Texas State and Central Region councils, both as a member and as an officer for many years. I am a Certified Coach and Master Level Judge, the latter allowing me the opportunity and privilege to judge ten World Championships. I have served many years as a member of the Education Department where I have had the opportunity to teach all levels of judging workshops, conduct focus meetings and webinars.

**BRIEF TWIRLING BACKGROUND:** a USTA member since 1964,

won numerous state, regional and national titles in Solo, 2-Baton and 3-Baton, and even Team and Corps!

**PROFESSION:** I am currently a Teacher and a Coach of multiple sports but primarily as a Head Volleyball Coach for 27 years with 3 State appearance with back to back State Championship titles at the 3A Level. Currently, I am the Head Tennis Coach at Stony Point High School in Round Rock, TX. This is my 35th year ...I thought last year was 35...but TRS has it as 34...so back to attain my goal of 35!

**WHY DO YOU SERVE ON THE**

**BOARD:** I want to give back to USTA and our sport that has given me so many amazing opportunities which has shaped my life in so many ways.

**WHAT IS ONE THING MOST PEOPLE DON'T KNOW ABOUT YOU:**

I serve on my church outreach team and though it's hard to believe, they let me cook dinner once or more a month and serve it to our congregation!

## Team USA wins gold, silver and bronze

*World Championships marked by magic moments*

There are moments in this lifetime that take your breath away... that make your throat ache and bring tears to your eyes. Moments that bring you to your feet, cheering and screaming. The 34th World Baton Twirling Championships were filled with those moments.

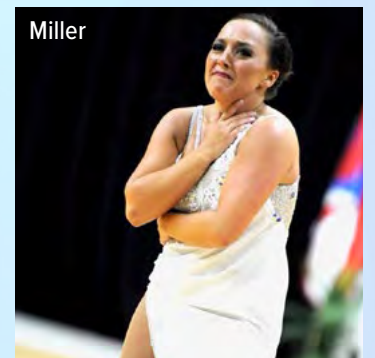

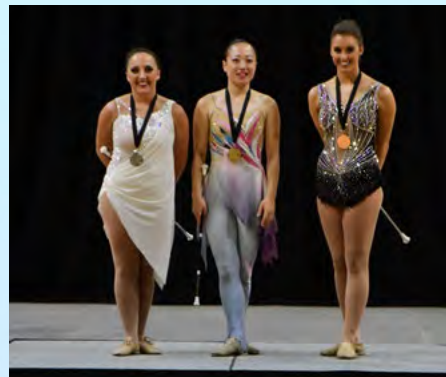

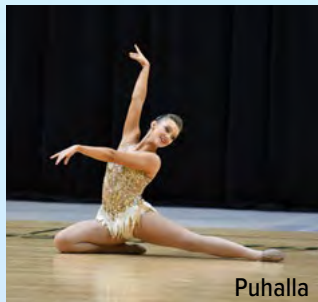

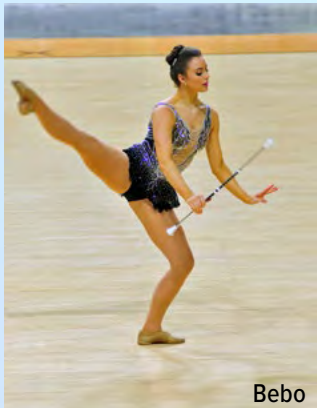

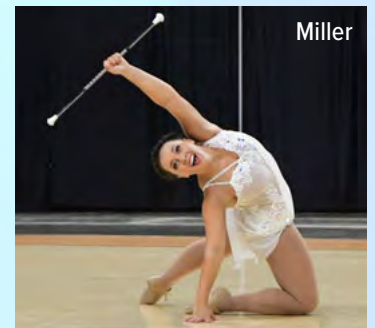

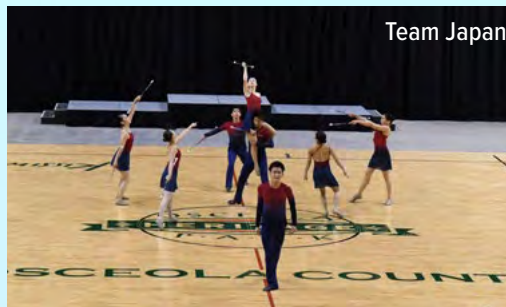

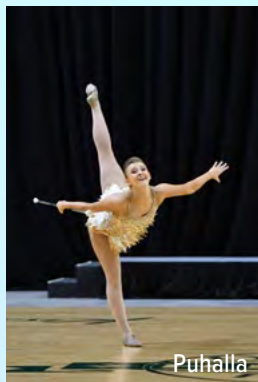

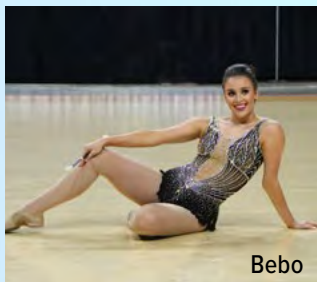

Baton twirling fans here in the U.S. and around the world got to experience those magic moments. Some watched in person at the Silver Spurs Arena in Kissimmee, Fla. Others tuned in on their phone, tablet or computer to view the wildly successful World Championships Livestream, directed by Monica Lee and hosted by Jason Lee and Jonathan Burkin, all former World medalists.

The magic began as soon as 200 elite athletes from 16 countries

stepped onto the competition floor. We followed the highs and lows of Compulsories and Short Program. We cheered and crossed our fingers as our favorites stepped onto the floor. We held our collective breath as batons rocketed into the air and we whispered “get it” under our breath as they fell back toward earth.

“The standard of excellence was raised in both programming by the coaches and in the level of difficulty executed by the athletes,” said World Baton Twirling Federation President Sandi Wiemers. “These exceptionally gifted athletes and coaches continue to push our sport to new heights.”

*Continued on next page...*

We will never forget “Never Enough.” Team USA member Laney Puhalla brought the powerful ballad from “The Greatest Showman” to beautiful life. After a disappointing compulsory round, Puhalla did two no drop, nearly flawless freestyles to win gold in the Junior Women’s Division. That’s something that hadn’t happened in 24 years, since Alysha Depp won gold in 1994.

Next Team USA member Adaline Bebo, who had already earned the titles of first runner-up to Miss Texas, USTA Grand National

Strut Champion and NBTA College Miss Majorette of America in June and July, wowed the crowd with a freestyle to Etta James’ “At Last.” The sweet and sultry program showed off her incredible flexibility and acrobatic skill and earned her a bronze medal in the Senior Women’s Division.

Then Team USA member Savannah Miller traded her signature sassy style for a moving and deeply emotional program to a poignant, acapella version of “Amazing Grace” by Leanne Rimes. Her semifinals performance

quickly went viral, garnering more than 3.1 million views on social media. “Stunning,” “incredible” and “magnifique” were just some of the comments from fans around the world who were amazed by the difficulty, creativity and passion of her performance.

We cheered for every member of Team USA. Each and every one of them made us proud. We were impressed as Japan’s Tomoe Nishigaki earned her fifth consecutive gold medal. And we were awed by Team Japan, which earned perfect 100s in the Team Finals.

USTA hosted the World Championships – which are the twirling equivalent of the Olympic Games – with the help of dozens of volunteers from across the country. USTA President Karen Cammer said the event would not have been nearly as successful without them.

“Mahatma Gandhi said, ‘The best way to find yourself is to lose yourself in the service of others.’ The USTA and WBTF were so fortunate that 100-plus volunteers served selflessly in Kissimmee to make the 34th World Baton Twirling Championships happen and be a huge success,” Cammer said. “Thank you to all of you.”

The 60th Anniversary U.S. National Baton Twirling Championships, held July 8-14, 2018 at Veterans Memorial Arena in Jacksonville, Florida, was certainly a nationals to remember! It was a celebration of fun, friendship, great twirling and 61 years of excellence!

The week started with a record 193 athletes demonstrating their technical merit and ar-

tistic artistry in the U.S. PreTrials.

July 8 also featured the Final Round of the U.S. Trials, determining which athletes would represent the U.S. in the 34th World Baton Twirling Championships. (See related article on page 5.)

The international excitement continued on July 9 with the International Cup Qualifier, where 246 athletes competed for the chance to represent the U.S. at the 2019 International Cup in Bordeaux, France.

July 12 and 13 featured group events and the 2018 National Collegiate Championship, with Master of Ceremonies Savannah Miller, the 2016 Collegiate Champion and a special performance by Krissy Terwilliger, the 2017 Collegiate Champion. Congratulations to Sabrina Smith, 2018 Collegiate Champion and feature twirler at the University of South Carolina. Go Gamecocks!

During the exciting Team Retreat on July 13, Jeanne Chwalik of Florida was honored as National Coach of the Year, Kathy Wisner of Ohio was honored as Festival Coach of

The 2018 Grand National Champions were selected on July 11, after two days of National Championship events and a thrilling Finals Show. Congratulations to Lexi Duda, Solo and 2-Baton Grand National Champion; Savannah Miller, Dance Twirl and 3-Baton Grand National Champion; Adaline Bebo, Strut Grand National Champion; and Bower Sarra, Men's Solo Grand National Champion.

An amazing week wrapped up on July 14 with the Festival of the Future, a national competition for beginning and intermediate

athletes. Congratulations to all of the athletes who competed, and especially to those who earned a spot in the "All Catch Club" after doing a no-drop performance!

Now the focus turns to the 2019 U.S. National Baton Twirling Championships,

which will debut an exciting new four-day format, July 10-13, in Fairborn, Ohio. (Get more information on pages 26-32.)
